

HERITAGE·HILL

STATE HISTORICAL PARK

JOB SUMMARY: VOLUNTEER EQUIPMENT MECHANIC

As a living history cultural organization, Heritage Hill State Historical Park takes pride in bringing the past to life and demonstrating things like old farm equipment, blacksmithing techniques and 19th century printing presses for our visitors. But we also use plenty of 21st century machinery behind the scenes to help maintain the park and we need your help to keep our modern machinery running!

As a team member of Heritage Hill State Historical Park, you will help build a positive working environment as well as inspire, transform and build our community through exceptional cultural and historic experiences. Under the general supervision of the Park's Restoration/ Maintenance Manager, the volunteer equipment mechanic provides principal support and assures seamless functioning of the Restoration/Maintenance Department.

PRIMARY FUNCTIONS AND RESPONSIBILITIES

- Preventive maintenance and repairs of the park's golf carts, both gasoline and electric.
- Preventive maintenance and repairs of the park's small equipment, including weed eaters, gas blowers, chainsaws, and riding lawn mowers.
- Medium size equipment preventative maintenance, including oil, air, fluid filter changes on a 1-ton Ford truck, Genie Ariel lift, Bobcat skid steer, and John Deere tractor.
- Some basic rust and paint repairs required with the preventive maintenance duties.
- Moderate knowledge of diesel engines, hydraulics, brake repairs and powertrains a plus, however it is not required.

Purpose: Assist the Restoration/Maintenance Department with the preventative maintenance and repairs to the park's power equipment.

Key Responsibilities:

- Maintain a stocked toolbox and hand tools in good working order.
- Perform preventative equipment maintenance.
- Troubleshoot and diagnose equipment problems.
- Determine needed parts for equipment and perform repairs.

The Length of Appointment: Ongoing year-round.

Time Commitment: 4 hours/week, flexible scheduling.

Qualifications: Knowledgeable of small gasoline engines and small equipment repair. Medium equipment repair would be additionally helpful, however it is not required.

Age Requirement: 18+

Dress Code: Sturdy shoes, presentable and appropriate clothing for the type of duties described.
