

HERITAGE·HILL

STATE HISTORICAL PARK

JOB SUMMARY: VOLUNTEER EQUIPMENT RESTORER

As an outdoor living history museum that looks at over 300 years worth of history, there is always a need to restore historic equipment. But it's worth it – having historic equipment that looks brand new in our historic spaces helps transport visitors into the past and gives them an experience to remember.

As a team member of Heritage Hill State Historical Park, you will help build a positive working environment as well as inspire, transform, and build our community through exceptional cultural and historic experiences. Under the general supervision of the Park's Director of Operations, provides principal support and assures seamless functioning of the (Restoration/Maintenance Department).
