"Halloween at Heritage Hill is a beloved, long-standing Park event that allows families to enjoy a safe and fun trick-or-treating experience alongside old-fashioned, spooky fun," said Diana Fligelman, Director of Sales and Private Events, Heritage Hill. "With the support of local business partners and the families who attend, this event not only brings joy to the community but also helps preserve local history and promote civic education thus building a stronger Northeastern Wisconsin for everyone."

This year's Halloween celebration at Heritage Hill is made possible thanks to the generous support of our local sponsors which include but are not limited to Habitat for Humanity, Kids Dental, Abrahms Spotlight Productions and Eillen's Candies. The park will also be decorated with autumn charm and traditional touches thanks to Harvest Hill Family Farm and Wood Orchard LLC.

Last year's event welcomed more than 1,500 attendees, and 2025 is expected to draw even more families from across the region. The impact extends beyond Halloween fun, every dollar raised supports Heritage Hill's mission of preservation and hands-on education for children across Northeastern Wisconsin.
