Said Diana Fligelman, Director of Sales and Private Events, Heritage Hill. "Every visitor, partnership and purchase helps contribute to preserving the stories of our past while creating educational opportunities that strengthen our community's future."

This year's Halloween celebration at Heritage Hill is made possible thanks to the generous support from our event partners, sponsors and donors. These include but are not limited to Bergstrom Automotive, Kids Dental, Cliff & Betty Wall and Keebler & Associates. The park will also be filled with autumn charm and traditional fall touches, creating a festive atmosphere throughout the day thanks to Harvest Hill Family Farm.

Last year's event welcomed more than 1,800 attendees and 2026 is expected to draw even more families from across the region. The impact extends beyond Halloween fun, every

dollar raised supports Heritage Hill's mission of preservation and hands-on education for children across Northeastern Wisconsin.
